Put Color In Everything You Do.

Five incredible, all-color functions. One sleek, compact machine. The MultiPASS C560 multifunction printer ("MFP") is the ultimate home-office peripheral that puts everything you need to communicate all in one place—and all in brilliant color. Print in photo-realistic color at 720 x 360 dpi. Make convenient color copies without using your PC. Send and receive incredibly fast, plain-paper color faxes. Scan color photos, artwork, text and more at 600 dpi. And control it all from a unique front panel that closes when not in use to enhance the printer's sleek, stylish look.

Think fast.

With Canon's Super G3™ technology, the C560 MFP is one powerful office machine. Now you can fax at an incredibly fast 33.6 Kbps—approximately three seconds per page.* Save more time by loading up to 30 pages at once in the Automatic Document Feeder. Program 112 numbers in the speed-dial memory and dial at the push of a button. And scan documents and photos using a single, convenient scan button. With all of these features, the C560 MFP helps you work smarter, faster and more productively.

Powerful software included.

A convenient on-screen toolbar makes functions like e-mailing and scanning documents as easy as pointing and clicking your mouse. Plus, the C560 MFP comes with Canon Creative For MultiPASS software—everything you need to take advantage of your multifunction printer's capabilities. Manipulate and enhance photos with Canon Photo. Integrate scanned text into word-processing documents with TextBridge® Pro. OfficeReady™CC gives you hundreds of customizable templates for Microsoft® Office, and PrintMaster® SE helps you easily create thousands of projects with professionally designed templates.
